

Legacy Charter closed March 17-April 10

To continue our efforts in being overly cautious while best serving our students, staff and families, the school will be closed effective tomorrow, March 17, and will remain closed through Friday, April 10.

Limited staff will be at the school March 17-20 and March 23-25 for parents and students to pick up personal belongings, etc., if needed.

While the school is closed, please continue practicing social distancing, practicing sound personal hygiene, and following the latest guidance from the CDC and Southwest District Health.

Thank you and take care. Looking forward to us all returning on April 13.

Mr. Seth Stallcop
Administrator
Legacy Charter School #478
