Charter School Policy

The adoption of new policies and the revision and amending of existing policies shall be solely the responsibility of the Board of Directors.

All policies shall conform to local, State, and federal laws as well as to the rules and regulations of the State Board of Education.

Adoption and Amendment of Policies

Proposed new policies and proposed changes in existing policies shall be presented in writing for reading and discussion at a regular or special Board meeting. Such proposals may be referred to the Principal for detailed study as needed prior to Board action on the proposal. The Board encourages the Principal to contact other experts to have potential policies researched. Interested parties, including any Board Member, citizen, or employee of the Board may submit views or present data or arguments, orally or in writing, in support of or in opposition to proposed policy.

Proposed new policies and proposed changes in existing policies shall undergo a minimum of two readings in the following manner:

1. At a regular or special Board meeting the proposed new or amended policy shall be presented in writing for reading and discussion; and
2. The final vote for adoption shall take place not earlier than at the first reading of the particular policy.

All new or amended policies shall become effective upon adoption, unless a specific effective date is provided in the motion for adoption.

Policies as adopted or amended shall be made a part of the minutes of the meeting at which action was taken and shall also be included in the Charter School's policy manual. Policies of the School shall be reviewed periodically, unless otherwise detailed in a specific policy by the Board.

Administration in Absence of Policy

In cases where action must be taken before the next Board meeting and where the Board has provided no policies or guides for administrative actions, the Principal shall have the power to act.

His or her decisions, however, shall be subject to review by action of the Board at its next regular meeting. In addition, it shall be the duty of the Principal to inform the Board of such action and the need for policy.

Suspension of Policies

Under circumstances which require a waiver of a policy, policy may be suspended by a majority vote of the members present. In order to suspend a policy, all Directors must have received written notice of the meeting which included a proposal to suspend the policies with an explanation of the purpose of such proposed suspension. If such a proposal is not made in writing in advance of the meeting, the policies may only be suspended by a unanimous vote of all Directors present.

Policy Manuals

The Principal shall develop and maintain a current policy manual which contains the policies of the Charter School. Each administrator, as well as staff, students, and other residents, shall have ready access to the manual. All policy manuals distributed to anyone shall remain the property of the Charter School and shall be subject to recall at any time.

1. Board Members will not use e-mail, social media or any other form of electronic communication as a substitute for deliberations at Board meetings or for other communications or business properly confined to Board meetings.
2. Board members will be aware that e-mail and e-mail attachments received or prepared for use in Board business or containing information relating to Board business may be regarded as public records, which may be inspected by any person upon request, unless otherwise made confidential by law.
3. 4. The Board respects the private lives of its individual members and understands that such privacy may include participation in social media endeavors. Board Meeting Procedure

Agenda

The agenda for any Board meeting shall be prepared by the Executive Director and Board Chair. Items submitted by the Board Chair or at least two Board Members shall be placed on the agenda. The clerk, administration, or patrons of the School may also suggest inclusions on the agenda. Such suggestions must be received by the Executive Director at least seven (7) days before the Board meeting, unless of immediate importance. Individuals who wish to address the Board must also notify the Executive Director, in writing, of the request. The request must include the reason for the appearance. Citizens wishing to make brief comments about school programs or procedures or items on the agenda need not request placement on the agenda, and must follow the procedure established for public input at Board meetings.

Regular Meeting Agendas

A 48-hour agenda notice shall be required in advance of each regular meeting. Notices and agendas must be posted in a prominent place at the principal office of the School or, if no such office exists, at the building where the meeting is to be held. All meeting notices and agendas must be posted on the School website.

Special Meeting Agendas

Special meetings require a 24-hour meeting and agenda notice. The agenda notice shall include at a minimum the meeting date, time, and place. The Board secretary or his or her designee shall maintain a list of the news media requesting notification of meetings and shall make a good faith effort to provide advance notification to them of the time and place of each meeting. All meeting notices and agendas must be posted on the School website.

Amending Agendas

An agenda may be amended provided that a good faith effort is made to include, in the original agenda notice, all items known to be probable items of discussion.

Amending the Agenda More than 48 Hours Before a Regular Meeting or 24 Hours Before a Special Meeting: If an amendment to an agenda is made after an agenda has been posted but 48 hours or more prior to the start of a regular meeting, or 24 hours or more prior to the start of a special meeting, then the agenda is amended upon the posting of the amended agenda.

Amending the Agenda Less than 48 Hours Before a Regular Meeting or 24 Hours Before a Special Meeting: If an amendment to an agenda is proposed after an agenda has been posted and less than 48 hours prior to a regular meeting or less than 24 hours prior to a special meeting but

prior to the start of the meeting, the proposed amended agenda shall be posted but shall not become effective until a motion is made at the meeting and the Board votes to amend the agenda.

Amending the Agenda After the Start of a Meeting: An agenda may be amended after the start of a meeting upon a motion that states the reason for the amendment and states the good faith reason the agenda item was not included in the original agenda posting.

Order of Business

The order of business will be determined by the Board Chair and Executive Director with input from the Board. Upon consent of the majority of the Members present, the order of business at any meeting may be changed.

Consent Agenda

To expedite business at a Board meeting, the Board approves the use of a consent agenda, which includes those items considered to be routine in nature. Any item which appears on the consent agenda may be removed by a Member of the Board. It is strongly suggested that any Board Member who wishes to remove an item from the consent agenda give advance notice in a timely manner to the Board Chair and Executive Director. The remaining items will be voted on by a single motion. The approved motion will be recorded in the minutes, including a listing of all items appearing on the consent agenda.

Action Items

All agenda items that require a vote shall be identified on the agenda as such. Final action may not be taken on agenda item added after the start of a meeting unless an emergency is declared necessitating action at that meeting. 7. Time of adjournment.

When issues are discussed that may require a detailed record, the Board may direct the clerk to record the discussion verbatim.

Unofficial minutes shall be delivered to Board Members in advance of the next regularly scheduled meeting of the Board. Minutes need not be read publicly, provided that Members have had an opportunity to review them before adoption. A file of permanent minutes of Board meetings shall be maintained in the office of the clerk, to be made available within a reasonable period of time after a meeting for inspection upon the request.

Minutes of Executive Session

The clerk shall keep written minutes of executive session. Said minutes shall be limited to a specific reference to the Idaho code subsection authorizing the executive session and sufficient detail to provide the general subject matter to identify the purpose and topic of the executive session. The roll call vote to go into executive session shall be recorded in the minutes. The minutes shall not contain information that would compromise the purpose of going into executive session.

Code of Ethics for School Board Members

As a member of The Legacy Charter School Board of Directors, I will strive to improve student achievement in public education, and to that end I will:

1. Attend all regularly scheduled Board meetings insofar as possible, having read my packet ensuring that I am informed about the issues to be considered at the meetings;
2. Recognize that the Board must comply with the Open Meeting Law and only has authority to make decisions at official Board meetings;
3. Make all decisions based on the available facts and my independent judgment, and refuse to surrender that judgment to individuals or special interest groups;
4. Understand that the Board makes decisions as a team. Individual board members may not commit the Board to any action unless so authorized by official Board action;
5. Recognize that decisions are made by a majority vote and the outcome should be supported by all Board Members;
6. Acknowledge that policy decisions are a primary function of the Board and should be made after full discussion at publicly held Board meetings, recognizing that authority to administer policy rests with the Administrator;
7. Be open, fair, and honest – to have no hidden agendas, and respect the right of other Board Members to have opinions and ideas which differ from mine;
8. Recognize that the Administrator is the Board's advisor and should be present at all meetings, except where the Administrator is the subject matter, or where the Administrator's presence is a conflict of interest. Further, the Administrator shall not be present during any Board deliberation regarding a student expulsion hearing and/or when the Board deliberates regarding a teacher non-renewal or termination advanced by the administration;
9. Understand the chain of command and refer problems or complaints to the proper administrative office while refraining from communications that may create conditions of bias should a concern ever rise to the attention of the Board as a hearings panel;
10. Keep abreast of important developments in educational trends, research, and practices by individual study and through participation in programs providing such information;

11. Respect the right of the public to be informed about Charter School decisions and School operations;
12. Understand that I will receive information that is confidential and cannot be shared;
13. Give staff the respect and consideration due skilled, professional employees and support the employment of those best qualified to serve as Charter School staff, while insisting on regular and impartial evaluation of all staff;
14. Present personal criticism of School operations to the Administrator, not to Charter School staff or to a Board meeting;
15. Refuse to use my Board position for personal or family gain or prestige. I will announce any conflicts of interest before Board action is taken;
16. Remember always that my first and greatest concern must be the educational welfare of the students attending the Charter School; and
17. Discharge my duties in good faith, with reasonable care, and in a manner that I believe to be in the best interests of the Charter School.

Board Development Opportunities

The Charter School Board of Directors realizes that proper board training is important. Decisions about school policy, personnel, finance, curriculum, and communications can be overwhelming and may require training. Training Directors to be effective leaders and decision makers is an educational investment that benefits the entire community. The Board believes that with proper training, it can create a positive and productive atmosphere for decision-making. There needs to be strong leadership among Directors demonstrated by teamwork, effective communication, problem-solving skills and positive relationships between the Board and the Principal.

The Board places a high priority on the importance of a planned and continuing program of in-service education for its Directors. The central purpose of the program is to enhance the quality and effectiveness of public-school governance in our community. The Board shall plan specific in-service activities designed to assist Board members in their efforts to improve their skills as members of the policy-making body; to expand their knowledge about trends, issues, and new ideas affecting the continued welfare of the Charter School; and to deepen their insights into the nature of leadership in a modern democratic society.

Funds may be budgeted annually to support the program. Qualified training in continuous improvement planning, finance, administrator evaluation, ethics, and governance may be reimbursable by the State through the process outlined in Idaho State Board of Education rule. Individual Directors shall be reimbursed for out-of-pocket expenses, as prescribed in Policy 1420 Director Expenses, incurred through participation in approved activities.

The Board, as a whole, shall retain the authority to approve or disapprove the participation of Directors in planned activities. The public shall be kept informed through the news media about the Board's continuing in-service education and about the programs anticipated for short-and long-range benefits to our schools.

The Board regards the following as examples of activities and services appropriate for implementing this policy:

1. Participation in school board conferences, workshops, and conventions held by the state and national school boards associations;
2. District-sponsored training sessions for Board members; and
3. Subscriptions to publications addressed to the concerns of Directors.

In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidelines:

1. A calendar of school board conferences, conventions, and workshops shall be maintained by the Principal. The Board will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the Charter School;
2. Funds for participation at such meetings will be budgeted on an annual basis. When funds are limited, the Board will designate which of its members would be the most appropriate to participate at a given meeting;
3. When a conference, convention or workshop is not attended by the full Board, those who do participate will be requested to share information, recommendations, and materials acquired at the meeting.

Directors are encouraged to attend workshops presented by the state and national school boards associations.
